

*Building Bridges -
From One Generation to Another!*

Dear Friend,

Growing Executives of Tomorrow^{®/is} (GET) is the youth program formed by Dr. Francisco Coll. He gave opportunity to "old souls in young bodies" to expand their leadership and inner direction through group involvement and action. This is a legacy that Wayshowers Community Fellowship (WCF) members believe is a high priority for building and support.

**Our fundraising goal for youth services is \$10,000.
Will you help us reach our goal?**

Your tax-deductible donation will support GET summer camp scholarships, spiritual leadership courses, recreational activities, as well as, expansion of GET youth programs in communities.
