

Wayshowers Community Fellowship Pledge Reminder

It's time to renew your pledge for 2006-2007. If you wish to continue your membership and participate in all of the exciting WCF projects to spread Spirit's message everywhere, and be ready for the annual meeting July 3, 2007, here are the facts you need and some news as well.

1. **Beginning now, your membership renewal date will be based on the anniversary month of your membership.** Example, if you join in September, your membership will be current through next August.

2. If you are **age 63 or more**, you are in the Cycles of the Sage, and you will have a reduced rate for membership. To take advantage of this price, we will need your date of birth (but exact age will be kept confidential).

Please check the level of your pledge in the appropriate space.
