

“SPIRIT IS OUR RIVER.”
Dr. Francisco Coll

Wayshowers® Community Fellowship Corp. is a spiritual, charitable organization based upon the life example of Dr. Francisco Coll that “Spirit is Our River”. Built upon his pioneering work, WCF extends universal principles of working with Spirit globally into the new millennium.

WCF’s purpose is to provide a community fellowship for every unique spiritual path. Our goals are to:

- support the wayshower in each of us, the part of us that inspires and shows a way to others,
- bring to life the deeper spiritual truths contained in the spiritual traditions on planet earth, healing division and building understanding,
- Expand inner communication and spiritual consciousness within individuals, communities, nations and the world.

WCF focuses on the innate wisdom and spiritual purpose in each soul on earth.
